

## Restaurant Equipment Service Technician

Full-time	Shoreline, WA	Salary: DOE	Open until filled
-----------	---------------	-------------	-------------------

Northwest Restaurant Services is looking for a hardworking, energetic and goal-oriented technician to join our team. Working side-by-side with our affiliated company, The Seattle Restaurant Store, we seek to offer restaurateurs and other customers the best and most responsive service in the restaurant industry. We are looking for top-quality technicians with at least five years' experience in the installation, repair, and maintenance of restaurant and commercial kitchen equipment. In addition to the regular benefits for all positions, we will provide the successful candidate with a signing bonus, company vehicle, tablet, and cell phone. Responsibilities for this position include, but are not necessarily limited to:

- Providing preventive maintenance and diagnosing operating deficiencies of mechanical equipment
- Delivering or coordinating delivery with installation of restaurant equipment
- Maintaining truck inventory
- Keeping service vehicle organized and clean (weekly inspections apply)
- Correctly completing all paperwork required for each job with detailed notes of work done and all supplies/parts used

### **Required qualifications**

- High school diploma or equivalent
- At least three years of technical experience in the installation, repair, and maintenance of restaurant and commercial kitchen equipment
- At least three years of experience in refrigeration maintenance and repair
- EPA certification
- General electrical knowledge and experience
- Extensive knowledge and experience with brazing, soldering, and welding
- Possessing appropriate licenses as required
- Good communication skills and ability to build good customer relationships
- Ability to prioritize and complete jobs in a safe and timely manner
- Flexibility and reliability in work schedule
- Ability to multitask

### **Preferred qualifications**

- Associate's degree in a technical or repair-related field
- HVAC certification
- Electrical and plumbing certification

### **About Northwest Restaurant Services**

Since 2009, Northwest Restaurant Services has been helping Western Washington restaurateurs keep their kitchens running at peak efficiency. From installation to maintenance to repair, restaurateurs count on NWRS for 24/7 support and an exceptional record of on-time delivery. We are factory-authorized to install and maintain most major brands of commercial kitchen equipment.

We pride ourselves on having the best-trained technicians in the business. All jobs are overseen by a lead technician with at least five years of experience in foodservice equipment installation, repair, and maintenance. Our repair units are equipped with GPS and our technicians carry tablets to ensure they have access to the latest technical bulletins and repair information from the manufacturer. In addition to any applicable manufacturer's warranties, we provide our own 30-day warranty on labor.

**Equal Opportunity Employer**

Northwest Restaurant Services is an equal opportunity employer and does not discriminate on the basis of race, color, religion, sex, age, national origin, sexual orientation, gender identity, disability, marital status, veteran status or any other status protected by applicable local, state or federal nondiscrimination laws. This policy applies to all aspects of employment, including recruitment and hiring, selection, transfer, demotion, compensation, promotion, benefits, termination, social and recreational activities, and all other terms and conditions of employment.

**How to apply**
